The Pettit store has felt the influence of spring. With the changing seasons the display of Furniture upon the floors of the Pettit store is changed accordingly. Always the stock presents a freshness in appearance which greatly adds to the pleasing atmosphere so much in evidence at the Pettit store.

A Dignified Credit Plan

A feature of the Pettit policy is the liberal credit terms. It's a dignified, self-respecting arrangement, allowing the purchaser the most easy payments. Among the many attractive offerings for the coming week are the following:

NEW METHOD GAS RANGE

Doubtless you have made your decision regarding the advantages of cooking by gas. As the summer comes on these advantages are brought forcibly home and surely you appreciate the convenience, the comfort and the cleanliness of the gas range.

Before you choose the range, however, come to the Pettit store and witness a demonstration of the New Method. We could tell you in detail of its many exclusive features, but nothing we could say would be as convincing as to actually SEE them yourself, and to understand wherein they make the New Method and WHY THE NEW METHOD SAVES 25 PER CENT IN GAS BILLS.
